

Overview of the partner universities (Erasmus+, Joint Study Programs, Double Degree Programs)

Allan Hanbury

Erasmus+ at the Faculty of Informatics

- For Informatics:
 - 57 Universities
 - 17 Countries: Croatia, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Luxemburg, Netherlands, Portugal, Romania, Serbia, Spain, Sweden
 - <https://tiss.tuwien.ac.at/mobility/erasmusList.xhtml?dswid=4392&dsrid=152>
- Funding available (80% of the grant paid before you leave)
- 12 months of Erasmus (multiple stays) available per study cycle (bachelor, master, ...)
- Application deadlines:
 - 15 March (for subsequent Winter and Summer Semesters)
 - 15 October (for remaining places in the following Summer Semester)

Double Degrees

- Double Degree INSA Lyon
 - Degrees from TU Wien and INSA Lyon
 - Erasmus funding possible
 - 6 semesters
 - <https://informatics.tuwien.ac.at/master/double-diploma-insa-lyon/>
- Double Degree IT Security
 - Degrees from the TU Wien and TU Darmstadt
 - For students in the master program Software Engineering and Internet Computing
 - Erasmus funding possible
 - 5-7 semesters
 - <https://informatics.tuwien.ac.at/master/double-degree-it-security/>

Joint Study Programmes

- Various agreements directly with universities – check the requirements on the International Office page
- Funding available
- Possible destinations:
 - Queensland University of Technology, Australia
 - University of Illinois at Urbana-Champaign, USA
 - National Taipei University of Technology, Taiwan
 - City University of Hong Kong, China
 - Many universities in Japan
 - ...

Focus on Eurecom

- All courses taught in English
- Master in Computer Science
 - Digital Security Track
 - Data Science Track
- Both Technical and Soft Skills courses
- Good weather / Mediterranean Sea
- <https://www.tuwien.at/en/studies/international/studying-abroad/mobility-programmes/europe/france-eurecom>

Getting the ECTS for courses elsewhere

- Agree a plan of courses and their recognition at the TU Wien before you go with the responsible Vice-Deans of Academic Affairs
 - Allan Hanbury – Business Informatics and Data Science
 - Stefan Woltran – Informatics Masters
 - Gernot Salzer – Informatics Bachelor
- If big changes to your planned courses have to be made, it is advisable to get confirmation from the responsible Vice-Dean of Academic Affairs during your stay abroad
- Solutions are generally possible – we try to find them
- If you do an exchange programme, requirements for Transferable Skills are removed → 9 ECTS (Master) or 18 ECTS (Bachelor) of Free Electives
