Overview of the partner universities (Erasmus+, Joint Study Programs, Double Degree Programs)

Emanuel Sallinger

Vice Dean of Academic Affairs

Business Informatics and Data Science

TU Wien

TU WIEN Informatics

Erasmus+ at the Faculty of Informatics

- For Informatics:
  - about 60 universities
  - 19 countries: Belgium, Croatia, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Luxemburg, Netherlands, Portugal, Romania, Serbia, Slovenia, Spain, Sweden

https://tiss.tuwien.ac.at/mobility/erasmusList.xhtml?dswid=4392&dsrid=152

- Funding available (80% of the grant paid before you leave)

- 12 months of Erasmus (multiple stays) available per study cycle (bachelor, master, …)

- Application deadlines:
  - 15 February (for subsequent Winter and Summer Semesters)
  - 1 September (for remaining places in the following Summer Semester)

Informatics

Double Degrees

- Double Degree IT Security
  - Degrees from the TU Wien and TU Darmstadt
  - For students in the master program Software Engineering and Internet Computing
  - Erasmus funding possible
  - https://informatics.tuwien.ac.at/master/double-degree-it-security/

- Double Degree Logic and Computation
  - Degrees from the TU Wien and Leibniz Universität Hannover (LUH)
  - For students in the master program Logic and Computation
  - Erasmus funding possible
  - https://informatics.tuwien.ac.at/master/double-degree-logic-and-computation/

Joint Study Programmes

- Various agreements directly with universities – check the requirements on the International Office page

- Funding available

- Possible destinations:
  - Queensland University of Technology, Australia
  - University of Illinois at Urbana-Champaign, USA
  - National Taipei University of Technology, Taiwan
  - City University of Hong Kong, China
  - Many universities in Japan
  - …

Informatics

Getting the ECTS for courses elsewhere

- Agree a plan of courses and their recognition at the TU Wien before you go with the responsible Vice-Deans of Academic Affairs
  - Emanuel Sallinger – Business Informatics and Data Science
  - Stefan Woltran – Informatics Masters
  - Sascha Hunold – Informatics Bachelor

  First step: Send an email to <studiendekanat.informatik@tuwien.ac.at> with what part of the plan of the courses you already have in mind.
- If big changes to your planned courses have to be made, it is advisable to get confirmation from the responsible Vice-Dean of Academic Affairs during your stay abroad (<studiendekanat.informatik@tuwien.ac.at>)
- Solutions are generally possible – we try to find them
