  - Take a look at the webpages of the host universities!
  - Find out about the **academic calendar** > Can you manage to arrive in time?
  - Find out about the **course programme** > Often it is not common to take master courses as a bachelor student.
  - Find out about **language requirements** > Is a specific certificate required, what level?
- **Mobility reports**
  - [www.tuwien.at/en/studies/international/studying-abroad/mobility-reports](http://www.tuwien.at/en/studies/international/studying-abroad/mobility-reports)

## Application and Nomination

- Via TISS Mobility Services Portal (only possible if you are logged in!) or TUW Mobility Online (= new mobility management software of TUW) > see our webpage/mobility programs
- Steps after the nomination: Website and Checklist under:
  - Registration at Host University and Grant payment process – we care about a lot of documents 😊
  - Accommodation, Visa and Arrival process
  - Insurance (health, travel, accident)
- Erasmus: At least 3 ECTS for each month abroad have to be accomplished
  - 5 months abroad = min. 15 ECTS that will be recognized at TUW

## Good to know

- Taking part in one of our programmes abroad, will relieve you from the tuition fees of the partner institution and only the ÖH fee has to be paid (in case you have to pay tuition fee).
- Self-organized stay abroad = you will probably have to pay the local tuition fees (ask the University of interest).
- Other grants: OeAD [www.grants.at](http://www.grants.at) | [CEEPUS](http://CEEPUS) | Austrian Study Grant Authority (Auslandsstudienbeihilfe): [www.stipendium.at](http://www.stipendium.at) > in addition to Erasmus+ grant!
