Dimensions  
DIN A0 (841 x 1189 mm)

The fonts, styles, dimensions and placement of the Header section are not to be changed.  
If a defined text box is too small for your content, e.g. title of your thesis, decrease the predefined style's font size.

This box indicates the available space for your contents.  
It must be placed with a 12.7mm margin to the header and the edges of the poster.  
You do not need to define a visible border around your content.

Delete this info box to start working on your poster.
